22 December 2008

Dear Denis,

I would like to acknowledge with gratitude the receipt by our association, Solidarité Pour les Enfants du Kenya, from the Geneva Literary Aid Society, the sum of CHF 8,000 (eight thousand Swiss francs). This money was raised by the GLAS on the occasion of the concert given by White Raven on Monday December 15 2008 in Geneva.

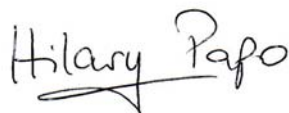

I would also ask you to pass on my deep thanks and appreciation to the many people who supported the evening, to Declan McAdams of the Hyposwiss Private Bank, the sponsor of the event, and of course to the musicians, Kate Dineen, soprano & harp, Robert Getchell, tenor and Raitis Grigalis, baritone.

The singing was just beautiful in the parlour atmosphere of the Lutheran Evangelical church in the Old Town. I look forward to them being invited back again next year!

We continue to invest in infrastructure improvements and self sustainability projects at Furaha Orphanage with the money raised at the GLAS events. We are also looking for sponsors for each child and I would like to thank the members of the audience who have contacted us in this regard after the last shows.

Once again, on behalf of the children, thank you very much indeed for your support.

Yours very sincerely,
